To: All teachers, students and parents,

Learn-From-Home Online System Initiation

During the nationwide Restricted Movement Order, the school will initiate Learn-From-Home Online System. The first batch of online learning will begin on 23rd March for Senior 3 students. Online classrooms for other students will be launched in stages. We will announce the online learning methods in the days to come. Please take note of updates on the school's website and All School app.

We also call on all teachers and students to avoid public areas and take extra care of their health during this period.

Thank you.
