Dear Parents,

Win-win Pandemic Prevention for Mutual Protection

The COVID-19 infection cases are spiking again and the cases detected in schools are also on the rise. For the sake of teachers and students, the school hopes for parental cooperation to halt the spread of the virus. **If you, any family member or relative** have the following situations, please practise home quarantine and do not send your child to school:

Scenario 1	Confirmed COVID-19 positive	Category A
Scenario 2	Required to undergo COVID-19 test	Category B
Scenario 3	Waiting for COVID test result	Category B
Scenario 4	Confirmed case(s) at workplace	Category B
Scenario 5	Sick leave due to flu and confirmed case(s) at workplace	Category B
Scenario 6	Contact with a COVID-19 positive person in the last 2 weeks	Category B
Scenario 7	Exhibit COVID-19 or flu symptoms (Please seek medical attention and follow doctor's instructions)	
Scenario 8	Your child exhibits flu symptoms	

Let's be responsible, considerate and vigilant by adhering to the SOPs as well as avoiding unnecessary social gatherings to break the chain of infection so that our children can return to normal learning again.
